Byron, attached is my amazing agenda :)  
Also attached is a short spread sheet of the Lane 5 statutory proposals that we would like to discuss with EPA.

Please let us know if you have questions or would like to add anything. Look forward to meeting with you.

Great do you need the name of all our attendees?

April is amazing and will have an agenda for you so we can guide this,

I've reserved room from 3:30 to 5 and invited all our key folks. Looks like we will have good turnout by staff
